Scania Engine Oil Approval: Repsol Turbo UHPD 10W-40

Repsol YPF, certifies by a letter dated 2st October 2010, that the oil **Repsol Turbo UHPD 10W-40** with internal code no RP037N, is identical to the tested oil

Approval: Scania LDF-2 and LDF-3

This approval is only valid in the assumption that no other formulations with the above brand name exist, i.e. no base oil interchange and no read across is permitted.

This approval is not transferable in any way to third party or other brand names without special permission.

This approval is valid for two years, expire end of January 2013.

A renewed approval will be given if Repsol YPF, by letter or e-mail applies for it two (2) months in advance by assuring that the brand on the market is still the same formulation as the approved engine oil.

If there is no application for a renewal, the lubricant will be deleted from the Scania oil list.

If once deleted, the oil will not be reintroduced due to administrative reasons.
